Golf among the sea and lakes.

Our 18-hole golf course, which opened in late 2017, emerged adapting to the existing terrain on the edge of the Caribbean Sea.

PGA Ocean's 4 has a total of 27 holes distributed into two spectacular golf courses: one 18-hole par 72, for intermediate and advanced level players, and another 9-hole short par 27, ideal for children and beginners.

The golfing experience is completed with an academy, a putting green, plus a Victorian and contemporary Clubhouse with terrace, bar and restaurant.

Impressive for its variety, and cool modernity, the 18-hole course was masterfully built and designed by Maverick Golf in its entirety, a first for the renowned design company. The father of this project, Mr. Jack Lund, has worked on numerous occasions with Robert Trent Jone's team, one of the best golf course designers in the world. PGA Ocean's 4, The only course in partnership with the PGA of America in Dominican Republic and powered by Troon Golf.
